

"This Loan Means Prosperity, Men"

What will putting over the Victory Liberty Loan mean, in dollars and cents?

It means the signal to "go ahead" in every work-shop in the country.

It means the respect of the nations of the earth—the trade door of every nation on the earth will be open to us.

So let's settle up the war bill—finish the job—and then spread that news to every corner of the earth.

Buy to your full limit of cash, men, and then pledge all you can possibly save.

The war is won, but the bills must be paid. The success of the Victory Liberty Loan is our job. We are only lending, not giving, our money and our Government guarantees its return with interest. Buy today.
